Shakillia Tate's remarkable talents for business, management, and communication make her uniquely qualified to serve as a Digital Marketing Coordinator with your company.

I have managed Shakillia Tate in stressful and complicated projects requiring high levels of intelligence and understanding: She met every challenge, deadline, and goal presented and tackled every problem with grace and ease. Many of the solutions Shakillia Tate proposed were insightful and practical, and she showed a remarkable capacity for breaking large issues into manageable segments. Her innovative ideas and solutions increased our company's profits and improved its efficiency, and she has made valuable contributions in other areas as well. For example, not only has she built our website, but she has taken our social media platform to a completely different level with the way she has been marketing and coming up with new ideas to bring in clients.

Shakillia Tate served not only as a useful individual asset to our company, but also as a cooperative and attentive team-player. Her actions consistently inspired and motivated me. She understood intuitively when I was confused, lost, or off-track, and brought me back on task without judgment.
